FEEDING DIRECTIONS

Feed 1.0 to 2.5 pounds per hundred pounds of bodyweight daily. Feeding rate will vary depending on animal weight and condition, forage quality and quantity, desired rate of weight gain and other management factors.

FEATURES AND BENEFITS

- Great value.
- All Natural with added vitamins and trace minerals.
- Ideal for farms which maintain multiple species in the same pasture.
 - No copper added – safe for Sheep.
- Textured or 100% pelleted forms available in bag.
 - Pellets available in bulk as well.
- Balanced and fortified.

FEATURES AND BENEFITS

- A texturized feed concentrate combining a blend of oats, corn, pellets, and molasses.
- Provides palatability for consistent aroma and taste.
- A fat level of 3.0% provides energy for performance and endurance.
- Lower fiber product allows for less grain mix and more forage consumption to promote desired body condition.
- Contains minerals and trace minerals to improve nutrient utilization and improve overall health and appearance.

PROHERITAGEFEED.COM

Dedicated to the farmer in all of us.

ALSO AVAILABLE: A COMPLETE LINE OF FREE CHOICE MINERALS & TUBS

FROM OUR FARM TO YOURS.

Our goal is to provide safe, high-quality, consistent nutrition for livestock and poultry in a way that keeps farming preserved and family thriving.

FAMILY

We believe in the age old tradition of family farming.

PROFESSIONALS

We are professionals that believe in the importance to maintain and advocate for the advancement of the agriculture industry.

TRUST

We make feed that farmers not only trust but feel good about using on their farms.

DEDICATION

We are a community of family farmers dedicated to the prosperity of farmers, and the health of their animals.

NUTRITION

We use wholesome ingredients in our feed to offer the most complete and balanced nutrition.
